Hi Emily,

Great to meet you at the showing yesterday — glad you liked Unit 3B. Here are the terms I can offer:

- Rent is **\$2,100 per month** on a **12-month lease** starting **September 1, 2026**.
- Security deposit of one month's rent (\$2,100). First month's rent plus the deposit are due at signing.
- You'd cover electricity and internet; I cover water, heat, and trash collection.
- No smoking anywhere in the unit or building.
- One cat is fine with a \$300 refundable pet deposit — no dogs, sorry.

Let me know if this works and if you have any questions.

Regards,

Robert Klein

Hi Robert,

Thank you — the apartment is perfect and \$2,100 works for me. A few questions before I commit:

- Is a parking spot included, or is that extra?
- What day is rent due each month, and is there a late fee?
- Am I allowed to paint the walls?
- What happens if I need to move out early?
- And is there an option to renew after the year?

Thanks,
Emily

Hi Emily,

Happy to clear all of that up:

- **Parking:** one assigned off-street spot is included at no extra charge.
- **Rent:** due on the **1st** of each month. There's a **\$75 late fee** if it comes in after the 5th.
- **Painting:** fine with my written approval, as long as walls are returned to plain white when you move out.
- **Early move-out:** I ask for **60 days' written notice** plus a one-month rent penalty to cover re-listing.
- **Renewal:** at the end of the term it rolls to month-to-month unless we sign a new lease — no automatic increase.

If you're happy with all that, reply to confirm and I'll send the lease over for you to sign electronically.

Best,
Robert
