Hi Sarah,

Thanks for the call on Friday — really enjoyed hearing about Bloom Botanicals. Here's my proposal for the full website redesign.

The project fee is **\$6,500 fixed**. That covers everything we talked through:

- A custom, mobile-responsive design (no templates) — up to 8 pages.
- A content management system so you can edit text and prices yourself.
- A product gallery for your plant catalog with categories and filtering.
- A contact form and Google Maps embed for the shop.
- Basic on-page SEO (page titles, meta descriptions, alt text).
- Two rounds of revisions per page included.

Payment is a 50% deposit (\$3,250) to book the slot, and the remaining \$3,250 due on launch day. Timeline is roughly 5 weeks from the day the deposit clears.

Let me know if that lines up with what you had in mind!

Best,

Daniel Ortega

Hi Daniel,

This looks great and the \$6,500 works for our budget. A few things before we sign:

- Does the price include setting up the domain and hosting, or is that separate?
- We'll need help with the writing too — is copywriting part of this?

- What happens if we need more than two rounds of revisions on a page?
- Most important: can we launch before our big fall sale on **September 1**?

Thanks,
Sarah

Hi Sarah,

Good questions — answers below:

- **Hosting & domain:** I'll handle all the setup and deployment. The hosting itself runs about \$20/month, billed directly to you by the provider — I don't mark that up.
- **Copywriting:** not included in the base fee, but I can add professional copy for all 8 pages for a flat **\$800**. Happy to include it if you'd like.
- **Extra revisions:** beyond the two included rounds, additional revision rounds are **\$150 per page**.
- **Launch date:** yes — if the deposit is paid by **July 15** and you get me your logos, photos, and product list by **August 1**, I can have you live by **August 25**, comfortably ahead of the sale.

If that all sounds good, reply to confirm and I'll send over the contract and invoice for the deposit to sign electronically.

Best,
Daniel
